**ANNEXATION AND LEVYING OF SEWER SERVICE CHARGES TO THE CONSOLIDATED
SEWER MAINTENANCE DISTRICT OF 30 PARCELS WITHIN UNINCORPORATED
TERRITORIES OF CARSON, GLENDORA, INDUSTRY, ROWLAND HEIGHTS, WEST COVINA,
AND WHITTIER AND THE CITIES OF BELLFLOWER, CARSON, DIAMOND BAR, GLENDORA,
INDUSTRY, LA HABRA HEIGHTS, LA PUENTE, RANCHO PALOS VERDES, ROLLING HILLS
ESTATES, SAN DIMAS, AND WALNUT
(SUPERVISORIAL DISTRICTS 1, 2, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to approve annexation of new territories into the Consolidated Sewer Maintenance District of the County of Los Angeles and levying of sewer service charges on parcels within the annexed territories.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED SEWER MAINTENANCE DISTRICT

1. Adopt the Resolution of Intention to annex 30 parcels to the Consolidated Sewer Maintenance District and to order the levying of sewer service charges within the annexed parcels.
2. As required by Health and Safety Code Section 4899, set the matter for public hearing and instruct the Executive Officer of the Board to publish the notice in both English and Spanish newspapers.
3. Instruct the Director of Public Works or her designee to notify property owners of all identified parcels of real property proposed to be annexed by United States mail of the amount of the Consolidated Sewer Maintenance District's sewer service charge to be levied upon each property;

the basis for calculating the sewer service charge; the reason for the sewer service charge; and the date, time, and location of the hearing not less than 45 days prior to the date set for public hearing.

4. Instruct the Director of Public Works or her designee to post notices of the hearing in at least three conspicuous places in the territory proposed to be annexed and in at least three conspicuous places in the Consolidated Sewer Maintenance District. The notices shall contain a description of the territory proposed to be annexed; the date, time, and location of the hearing; and shall be posted not less than ten days prior to the date set for the hearing.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED SEWER MAINTENANCE DISTRICT:

1. Determine whether a majority written protest against the proposed annexation or sewer service charge exists.
2. If a majority written protest does not exist:
 - a. Find that the annexations and levying of sewer service charges are to meet operational expenses to maintain service within the proposed annexation areas and are categorically exempt from the California Environmental Quality Act.
 - b. Find that the parcels proposed to be annexed will be benefited by the annexation, authorize the boundaries of the Consolidated Sewer Maintenance District to be altered to include such benefited parcels, and order levying of sewer service charges within the annexed parcels to be effective in Fiscal Year 2014-15.
 - c. Adopt the Property Tax Transfer Resolution approving and accepting negotiations that there will be no exchange of property tax revenues from annexation of the 30 parcels.
 - d. Instruct the Director of Public Works or her designee to file the necessary statement of boundary change with the State Board of Equalization and the County of Los Angeles Assessor's office.
3. If a majority written protest does exist, make a finding terminating the proposed annexation and levying of sewer service charge proceedings where the proposed annexation and levying of sewer service charges have been rejected and refer the matter back to the Department of Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to annex parcels benefiting from sewers maintained by the Consolidated Sewer Maintenance District (District) and to levy sewer service charges on parcels within the annexed territories. Owners of the affected parcels will be notified by mail, at least 45 days prior to the hearing date, of the exact amount of charge to their individual parcels as required by law. The sewer fee for a typical single-family home is \$50.50 per year. Multiple-family residences, commercial, and industrial properties would be assessed a higher amount.

Approval of the proposed annexations will allow the District to continue to maintain the local sanitary sewers. The sewer service charges to be levied on the annexed parcels are to provide funding for the District to maintain the sewer facilities in compliance with the State Water Resources Control Board's regulatory requirements and Public Health standards.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1), Fiscal Sustainability (Goal 2), and Integrated Services Delivery (Goal 3) by annexing new territories into the District and levying charges to ensure that sufficient funds are raised for continued maintenance of the sewer system in a cost-effective, safe, and environmentally sound manner.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. Upon approval by the Board, this action will generate an estimated additional \$28,000 in yearly revenue to the District effective July 1, 2014, to provide continuing support for ongoing sewer maintenance operations. The additional revenue will be included in the District's Fiscal Year 2014-15 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These recommended actions are required to annex parcels benefiting from sewers maintained by the District.

The areas to be included are located within unincorporated territories of Carson, Glendora, Industry, Rowland Heights, West Covina, and Whittier and the Cities of Bellflower, Carson, Diamond Bar, Glendora, Industry, La Habra Heights, La Puente, Rancho Palos Verdes, Rolling Hills Estates, San Dimas, and Walnut. Consent and jurisdictions for these annexations were granted by the affected Cities in accordance with Section 4895 of the Health and Safety Code. The Cities of Bellflower, Carson, Diamond Bar, Glendora, Industry, La Habra Heights, La Puente, Rancho Palos Verdes, Rolling Hills Estates, San Dimas, and Walnut have adopted resolutions, on file with the Executive Officer of the Board, granting consent and jurisdiction to the County of Los Angeles (County) for the inclusion of sewer areas within those Cities into the District.

The Resolution of Intention (Enclosure A) identifies the areas served and proposed to be annexed in accordance with Chapter 4, Part 3, Division 5 of the Health and Safety Code, as amended, of the State of California. Sewer service charges shall be determined in accordance with Title 20, Divisions 2 and 3 of the Los Angeles County Code. The proposed levying of a sewer service charge is subject to majority approval of the property owners. In the absence of a majority protest, the sewer service charge shall be effective starting in Fiscal Year 2014-15.

Pursuant to Section 4896 et seq. of the Health and Safety Code, the Board may, by resolution, fix a time and place of hearing of the proposed annexations. The Department of Public Works shall post the required notices of public hearings.

As required by Section 4899 of the Health and Safety Code, the Board shall direct the Executive Officer to publish a notice of the hearing (Enclosure B) in a newspaper of general circulation once a week for two successive weeks.

The California Constitution, Article XIII D, Section 6(a), requires that owners of parcels subject to increased or new sewer service charges be notified by mail no later than 45 days before the public hearing of the amount of charge and method of determination and the date, time, and location of the hearing. In the event a majority of property owners protest an increased charge within any district, such charge may not be imposed.

Pursuant to Section 99 of the Revenue and Taxation Code, there will be no exchange of property tax

revenues as a result of this action.

The Director of Public Works or her designee shall file the necessary statement of boundary change with the State Board of Equalization and the County Assessor's office as required by Section 54900 of the Government Code and Section 99 of the Revenue and Taxation Code.

In accordance with Section 58851 of the Government Code, this proposal was reviewed by the Director of Public Works or her designee, acting as the County Surveyor, and the County Assessor's office. The boundaries were approved as to definiteness and certainty and are shown on the enclosed legal descriptions.

The Resolution of Intention, Property Tax Resolution (Enclosure C), and Notice of Hearing have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed annexation and levy of sewer service charges is to fund operating expenses to maintain sewers in existing service areas and is exempt from the California Environmental Quality Act (CEQA) pursuant to the Public Resources Code, Section 21080 (b)(8) and Section 15273 (a) of the CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will result in the annexation of an additional 9.2 miles of sewer lines to the District. The revenue to be generated will be sufficient to fund the services to be provided. The recommended action will not have a negative impact on current County services or projects.

CONCLUSION

Please return two adopted copies of this letter to the Department of Public Works, Sewer Maintenance Division.
